## **GENERAL RULES**

Submission abstracts for review is governed by the following rules established by the scientific committee of the Meeting:

1. abstracts should be submitted if the research has not been already published, except national conferences or major ones;
2. case report should be submitted only if they provide novelty;
3. abstracts must be received only online submission by the deadline. Photocopies, facsimile, or e-mail copies will not be accepted and will be discarded;
4. presenting Author must be registered to the Meeting no later than one week after acceptance notification.

## **GUIDELINES**

Criteria for abstract acceptance

- a) After successful submission of your abstract you will receive an automatic confirmation by email.
- b) The submitting author will be notified from July 17, 2023 onwards whether the abstract has been accepted. Notifications will be sent via email to the email address of the abstract submitter provided during the online submission. It is the authors' responsibility to ensure that emails from [abstracts.probiotics2023@emec-roma.com](mailto:abstracts.probiotics2023@emec-roma.com) can reach them. Within the notification authors will be informed of the date, time and form of their presentation.
- c) The Scientific Committee has established rules for the submission of abstracts. Each abstract will be firstly reviewed for adherence to these rules and then for the scientific content and presentation. The elected referees conduct the peer-review process and have the authority to accept or reject any submission.
- d) Authors selected for oral and poster presentation will be informed by July 17, 2023. Detailed information on the presentation format and submission procedures (i.e. duration and timing of the presentation, size of poster) will be emailed to all the delegates whose papers have been accepted by the Organizing Secretariat.

## PREPARING AND SUBMITTING YOUR ABSTRACT

Preparing your abstract for submission includes several key elements.

**Title** - The title should clearly identify the contents of the abstract. Capitalize the whole title and write it on the specific field of the online form (e.g., CANDIDA ALBICANS)
